## Teacher Setup Guide

This escape room activity is designed for groups of 3-4 pupils.

Time: 45 minutes.

Setup instructions:

1. Print one set of puzzle cards per group.
2. Place puzzle cards in envelopes labelled 1-4.
3. Provide each group with an answer sheet.
4. Groups must solve each puzzle in order to get the combination for the next.

Equipment needed: printed puzzle cards, envelopes, answer sheets, pens.

Optional: padlocks with combination codes for a more immersive experience.
